Gates to fenced in outdoor play areas

The gates to the fenced in areas must remain closed at all times. Please do not prop the gate open. We appreciate everyone's efforts to double check that it latches as you come and go. Thanks for helping us keep all our kids safe.

Need a babysitter for your Valentine's date night?

Sign up your children for a Kids Night Out! Friday Feb. 17th, 5-8:30PM!
Dinner will be provided Snowshoeing, cookie decorating, and more!

All ages welcome! Please sign up in the office or by sending an email to livlrn2@comcast.net!

Family Fun!

- ★ Free Family Fun Night at the Children's Museum of NH
Fri. Feb. 3rd
from 5:30-8PM.
Click [here](#) for more!

If Live & Learn is Closes due to bad weather:

We will send out emails, have it announced on the radio (WHEB, WOKQ, WTSN, and WERZ), and on Channel 9 TV. ***If you do not have hourly access to one of these modes of communication please let us know so that we can put you on a need to call list for the future.***

Staff Updates!

- ★ Please welcome Brittany (last semester's intern) to the kindergarten teaching staff—welcome Brittany!
- ★ Please welcome our interns for this semester. Meredith is a student at Colby Sawyer College and will be spending time in both older and younger preschool! Chantal and Natalie are both psychology interns that will be joining us this semester.

Winter Reminders

Now that winter has found it's way to NH there are a few reminders:

PARKING—there are 7 large buses that pass through the driveway daily (8:30-9:00, 10:30 and 3:30) please park along the right side(non house side) of the upper lot and pull in and park close together in the lower lot. During bus time please do not park in the last slot towards the dumpster in the upper lot. The busses do not want to hit your vehicles. Thanks for helping to keep the passage way open.

Please send in outdoor gear EVERY day for your child they will need hat mittens (2 pairs please) boots, coat, snow pants and extra socks.

Infants:

Hello Infant families! Did you enjoy our glimpse of Spring? The infant class did! We enjoyed exploring ice, splashing in puddles, climbing over logs, and just walking in the fresh air! We also make music with instruments and bounced on Rodys!

Thank you Dave for the beautiful new mailboxes!

Toddlers:

The older group made bread, played lots of music and movement songs, colored with twistable crayons and got messy with shaving cream! We have also been POTTY TRAINING! The younger group took a sleigh ride, painted with warm colors and small brushes, did lots of art projects, and played musical instruments! **Thank you to the Keppeler family for the peanut butter and jelly!**

Wish List: We would love some disinfecting wipes for our classroom! Valentine's Date Night (Kids Night Out) on Fri. Feb. 17th, 5-8:30 pm!!! Snowshoeing, cookie decorating, and more!

Younger Preschool:

This week we spent time body sledding, playing in the slushy snow, and going on a walk to follow deer and bunny tracks! We've been practicing our

letters more too. We also explored new playdoh and did lots of drawing and sticker art. We even had a "dress-like-a-knight" day and made dragon and castle cookies! **Thank you to Gus and Bryce for bringing in soft tissues for us!**

Older Preschool:

What a busy, busy week we had! Outside we did soda explosions on the ice. We went on an adventure in the woods and found lots of deer scat but no deer. We made some beautiful paint and glue mixture design on wax paper.

We can't wait to see what happens after they dry! Some of us love to use beads and make names with letter beads. We made a fun chart

about how old we are and the most fun was doing soda explosion experiments. Shawn came in and told us a pirate story. Arrr, Matey! Shawn reassured us that no pirates would come to Live & Learn. We made some wonderful puffy paint drawings and had a blast! Some of us have been into writing names and making books! What a week! Have a wonderful weekend!

Kindergarten:

Kindergarten had a fun and MESSY week! We continued our astronaut work by making and painting paper mache space helmets! We also spent time making rocket ships with magnets, making a space station with Pete, coloring the snow and ice, and working on letter sounds. Next week we will work on making space-ships and preparing materials for an egg-drop!

for an egg-drop!

Thank you Kyle for sharing your birthday cupcakes with us! They were so yummy!

School Age:

This week afterschool started with a full day filled with ice skating and snow shoeing! It was lots of fun! We also played dodge ball, drew lots of designs, had a group game of Pictionary, worked on our scroll, and also

played in what was left of the snow!

Wish List: We would love some cornstarch and shaving cream!
