RE: Permission Slips for Center Directory and Photographs for Educational Purposes

We would like to create a directory for each class. It is our intention to help facilitate conversations among parents as a resource to share the joys and challenges of raising a family. Directories will be distributed Live & Learn families of each classroom, however copies of directories for all classrooms will be available upon request. Please list as much, or as little information as you feel comfortable with.

Child Name: _____ Class: _____

Address: _____

Telephone: _____ Email: _____

Please DO NOT list my child in the directory.

Parent Signature: _____ Date: _____

Many of our classrooms have interns who may be required to take photographs for educational purposes such as portfolios, Live & Learn web page, Family News and newspaper articles. Please note no names will be used with the pictures.

Child Name: _____ Class: _____

Yes, you may use my child in educational photographs.

No, you may not use my child in educational photographs.

Please obtain approval for each picture.
